

Before the end of 2007 I did a lengthy email interview with Marie Lechner for the Ecrans supplement of the French newspaper Libération. The interview appeared in the January 12, 2008 edition. [On my pages](#) you can read the original (not copy-edited) version in English. The main part of the dialogue deals with blog theory, at the moment my main occupation. Here is the actual [French version](#) that was published in the newspaper.
