

New version of my ever-changing music-theory performance under fluctuating names Sad by Design and We Are Not Sick, this time at Neme Gallery in Limassol (Cyprus), December 11, 2021, as part of their [Through the Mesh: Media, Borders and Firewalls](#) exhibition. Thanks to Patrick Lichty for the invitation and to Yiannis Colakides for the careful video edit: <https://youtube.com/watch?v=Au9TEq>.
