

Institute of network cultures

INC news, summer 2014

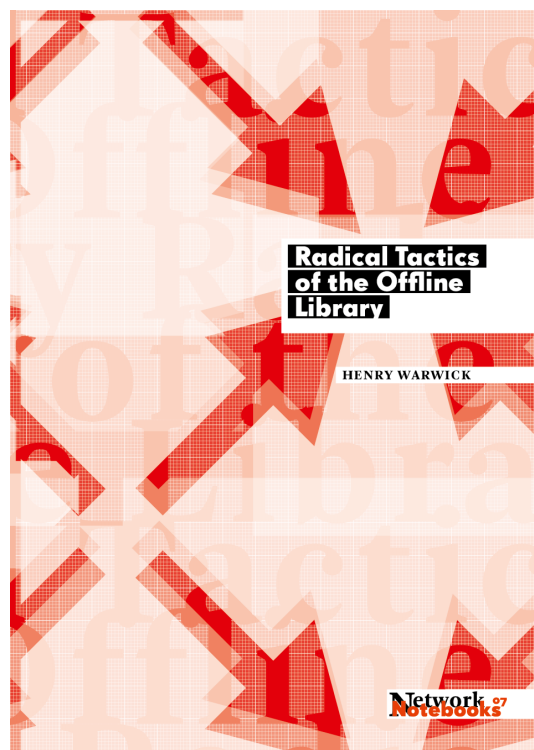

The INC is closed from July 14th until August 18th
We wish you a lovely summer!

Read up on all the news, videos, blogs and projects:

- INC celebrates 10 year anniversary with a **new website**
- New **publications** about the offline digital library and web search
- Soon available: the **Crowdfunding Toolkit**
- Read up on the **Off the Press** and **MoneyLab** conferences and watch videos from all the talks
- Save the Date: **MyCreativity** sweatshop coming up in November

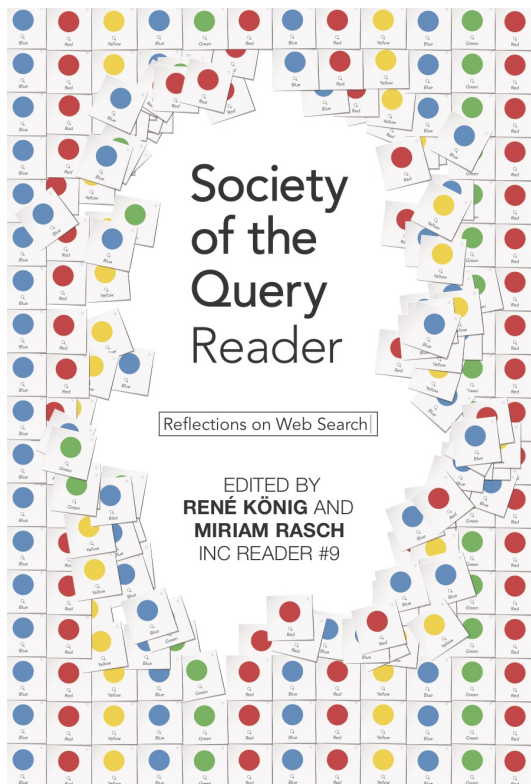

INC celebrated its 10 year anniversary in June with the launch of our **new, fully responsive website**. Easy to

Just out: *Radical Tactics of the Offline Library* by Henry Warwick is available in print, ePub and PDF format. [Order or download a copy now!](#)

read, search and share and updated with all our projects from the past decade.

www.networkcultures.org

INC Reader #9 **Society of the Query: Reflections on Web Search** was published this spring. Twenty essays on the politics and aesthetics of search, brought together in one volume. Make sure to [download the digital publication](#) or [order a hard copy](#).

For Dutch readers there is also the Society of the Query magazine: 10 artikelen over online zoeken, especially designed for educational purposes. Instructions on how to download it, and a link to the PDF can be found [here](#).

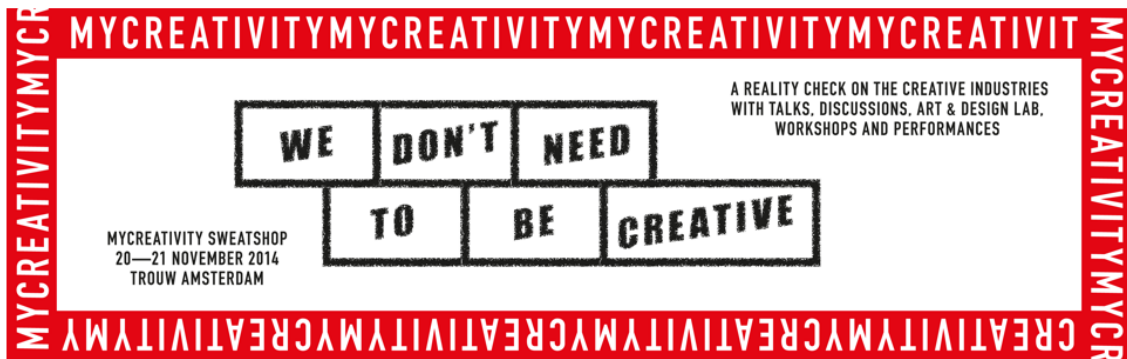

Within the coming weeks the **Crowdfunding Toolkit** will be available online on the MoneyLab blog. Be sure to take a look at the blogs, or catch up on videos and reports from the MoneyLab event in March.
